Gold Trail Primary and High School Guide

Discover the story of a city and nation built on gold

#heartofgold

Discovery Trail

Australia's virtual #heartofgold Discovery Trails provide a fun, interactive and educational experience for school students to learn about the rich history and importance of gold to the development of Western Australia and the nation.

Available on the free Heart of Gold Australia app, there are self-guided walking trails in Perth and Kalgoorlie-Boulder.

The virtual gold trails will take students back in time from modern day mining to the early gold rushes with augmented reality, remarkable audio stories, fun widgets, vivid videos, timeless photos and interactive games.

The trails combine learning with technology and the outdoors, offering a great option for a class excursion or to enjoy on the weekend with family and friends.

All trailblazers will receive a commemorative #heartofgold medallion upon completion of the trail to celebrate their achievement.

Download the free Heart of Gold Australia app to start an interactive gold adventure!

The #heartofgold Discovery Trails are a Gold Industry Group community initiative. Stay tuned for more gold trails planned for release across Australia.

TRAIL TIPS

- **Download the free Heart of Gold Australia app** from iTunes or Google Play and the trail bundle in the app before arriving.
- Enable **location and Bluetooth services** on your device.
- **Be aware of traffic** – cross at lights and keep your eyes up. When referring to the app/map, stop somewhere safe.
- Don't forget to **bring headphones**.
- Make sure **your device has full battery** or consider taking a battery pack.
- **Be safe and sun smart** – remember to bring a hat, sunscreen and a water bottle.
- **Save and share your photos** on social media – don't forget to tag us @heartofgoldaus and use #heartofgold

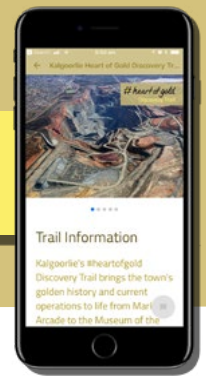

CLAIM YOUR MEDALLION!
