Connecting Australians to
our gold industry

Together we are building a strong,
sustainable and connected gold industry.

Gold Industry Group

CHAMPIONING AUSTRALIA'S GOLD INDUSTRY

The Gold Industry Group is a not-for-profit, member-based association that champions Australia's gold industry.

We promote and strengthen the reputation of the gold industry.

Our long-term initiatives grow understanding of gold's value to the economy and community.

Be a part of Australia's gold story

We connect Australians to our gold industry through initiatives focused on education, community and employment.

Our activities grow the gold industry's profile by:

- **Creating** and delivering Gold Industry Group programs that educate the wider community;
- **Establishing** and leveraging partnerships and strategic sponsorships that magnify our reach and engagement with the community;
- **Delivering** and supporting industry and community events that connect us and influence positive change; and
- **Generating** content across industry aligned topics, member activities and Gold Industry Group programs.

Join us

Join us to build a strong, connected and sustainable gold industry in Australia.

Membership is open to gold producers, explorers, prospectors and fabricators, as well as companies providing services to the gold sector.

The union of diverse stakeholders is extremely important to connect and unite our industry. Collectively our members represent the entire gold value chain.

Membership benefits include:

- Influencing community perceptions and raising the profile of Australia's gold industry
- Recognition for championing long-term social impact initiatives
- Leading and participating in long-term community engagement initiatives
- Opportunities to promote the value of gold across Australia and beyond
- Company and employee engagement opportunities to champion member only programs across employment, community, and education
- Promoting positive change in the gold sector
- Collaborating and connecting with the gold sector
- Recognition for actively supporting your employees, the industry, and the community
- Profiling of company milestones, announcements, industry and community initiatives, and employee advocates
- Complimentary tickets to events and access to member only events
- Access to industry resources, news, and research
- Featuring in content published across the Gold Industry Group corporate website, jobs website, education website, social channels, newsletters and in national marketing campaigns

Community partners

The Gold Industry Group is committed to advancing communities and supporting its people in Australia.

We're proud to give back and so are our people, which is why we have formed long-term partnerships with West Coast Fever, Netball WA, Indigenous netball education program Shooting Stars, mental health charity LIVIN and Australian Earth Science Education. Our partnerships connect our workers, their families, and the broader Australian public, while building the industry's profile.
